This diagram illustrates the exploded view of a mechanical assembly, likely a door latch or lock mechanism. The components are numbered 1 through 20. The main body (15) is a large, curved metal plate. A handle (7) is connected to the body via a linkage (12) and a spring (10). A bolt (1) is used to secure the body to a surface, with a washer (2) and a nut (3). A pin (4) is also shown. Other components include a spring (11), a pin (13), a screw (14), a pin (16), a pin (17), a pin (18), a pin (19), and a pin (20). The diagram shows the relative positions and assembly sequence of these parts.
